Education

Georgia State University, Robinson College of Business / Supply Chain & Operations 2024, Atlanta

Atlanta International School / International Baccalaureate Bilingual Diploma (French, English) 2018, Atlanta

Experience

Map Operations Specialist / StubHub January 2025 - PRESENT, Atlanta

- Validated and enriched complex venue-map data to ensure accuracy and completeness, directly supporting sales enablement by optimizing coverage and identifying new data opportunities
- Built and deployed custom automation scripts that streamlined repetitive mapping tasks, boosting personal productivity by roughly 40 % and freeing time for higher-value analysis
- Handled 200+ daily seller requests and mapping updates while collaborating with international teams to migrate and modernize legacy map data, ensuring global consistency and platform compatibility

Product Designer / Omadeus (XEBA Technologies) July 2021 - July 2024, Berlin, Germany

- Independently designed and implemented over 100 web application screens, enhancing functionality and user experience for existing and new features within the company's primary software
- Collaborated with Product Managers and Product Owners to translate concepts into compelling visual designs and user-friendly interfaces
- Communicated and worked closely with developers to refine designs, facilitating smoother integration to reduce development time estimates

Junior Operations Analyst / Nuesoft Technologies Inc. December 2018 - October 2020, Atlanta

- Conducted operational data analysis to identify trends and improve workflows, resolving hundreds of client inquiries related to services, billing, and technical issues
- Coordinated with international development teams to align projects and handled client inquiries in French, providing tailored solutions that enhanced service satisfaction

Waiter / Apres Diem November 2015 - June 2020, Atlanta

- Trained new hires to accelerate orientation, while advancing from busser to waiter, building strong customer-service skills and ensuring patron satisfaction

Leadership

Youth Soccer Coach / Concorde Fire Soccer Club December 2023 - April 2024, Atlanta

- Lead a comprehensive soccer program for over 30+ youth, coordinating bi-weekly practices and overseeing weekend games, with an emphasis on skill development, teamwork, and fostering a love for the sport

President of Men's Soccer Club / Georgia State University September 2019 - January 2021, Atlanta

- Organized and led a team of over 50 students in practices and league games, and managed club finances totaling \$5,000, ensuring accurate documentation and compliance with administrative requirements
